

温州医科大学
WENZHOU MEDICAL UNIVERSITY

2024 SUMMER CLINICAL PROGRAM

University Introduction

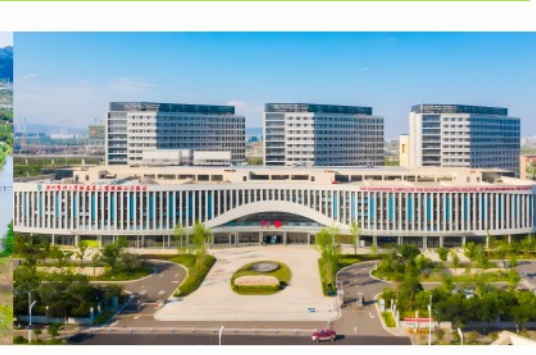

Wenzhou Medical University (WMU) was established in 1958 and has the total enrollment of 24,809 in 2023. As one of the leading independent medical universities in China, it boasts 5 directly-affiliated hospitals and 29 non-directly affiliated teaching hospitals. It ranks the 501-600 in the 2023 ARWU Academic Ranking of World Universities, 9th among Chinese medical universities. WMU is located in Wenzhou, a coastal city in Zhejiang province. Wenzhou is a national historic and cultural city, with a history of more than 2,200 years. It boasts great natural diversity of landscapes and has been rated as one of China's Top Ten Happiness Cities.

Program Highlight

- Provide opportunities to have clinical observation and practice in A-level tertiary hospitals.
- Explore local culture through a series of orientation, social and cultural activities.
- Meet the requirements of 4-week clerkship.
- Obtain program certificate from the hospital.

Length of the Program

2024 (4 weeks)
July 20-August 18
